

## CLIENT RESPONSIBILITIES

*It is your responsibility...*

- **To be respectful and courteous to others.**
- **To follow the rules and expectations of the program, as applicable.**
- **To follow the directives of staff.**
- **To ask questions when you do not understand expectations.**
- **To care for the facility property.**
- **To provide input and treatment relevant information as a basis for receiving services and participating in service decisions.**
- **To participate in the development and ongoing re-evaluation of treatment planning, goal setting, and discharge plans.**
- **To work toward meeting your goals as defined in your individual treatment plan.**
- **To follow through with your commitments and arrangements with staff.**
