

Project Christmas Joy

Bring joy and warmth to a young person in need this Christmas by donating special presents and necessities!

Ways to Give

- Shop our Amazon Gift Registry
- Purchase and deliver gifts
- Give a monetary donation
- Host a drive

Needed Items >>>

Your generosity during Project Christmas Joy makes a real difference! By giving today, you help ensure that every young adult at OHB experiences the magic of the season. Many of them, especially those with young children, are facing a holiday without gifts or even the essentials. With your help, they can receive both. This holiday season let's come together to make sure no one is left out.

Who You're Helping

Your support of Project Christmas Joy ensures that every young adult at Omaha Home for Boys has a special gift at Christmas. The majority of our young adults are 17 to 24 years old. They're working really hard to make their lives better for themselves and their children. Often, the Christmas celebration they share with us is the only one they have. Thank you for making it a memorable, joyful holiday season for them!
